Boys... we love them all...

Message from the Author

I hated doing betas for Tsukasa's hair... Until I found a magnificent pen that fit my hand perfectly. I joyfully thought, "With this pen, I shall conquer Tsukasa's hair!"... but lately, the pen has become harder and harder to find. My assistant tried to hunt it down for me, but... "It seems it's been discontinued. (WEEP!)" ----I went into shock.
